Dear Dr. McAllister:

I would again like to thank you for your generous support of the Gordon Conference on Phagocytic Cells. By any measure, it was a great success. We were oversubscribed by a ratio of approximately two to one and had 150 participants. I enclose a brief summary for your interest.

My successor and Chairman for the next Gordon Conference on Phagocytic Cells is Dr. John Gallin, Director, Intramural Research Program, NIAID, National Institutes of Health. He and I very much hope you again will be able to support this most worthy enterprise.

With best wishes.

Sincerely yours,

Ralph Snyderman, M.D.
